MOBILIER

2019 collection

Try. Feel. Live it

Lafuma Mobilier brings you lasting comfort!

Presenting its 2019 collection, Lafuma Mobilier brings you the very best in relaxation, the one which will give you exceptional well-being, while also being environmentally-friendly.

In its factory in Anneyron in the Drôme region, Lafuma Mobilier has been involved from the start in an eco-design approach, working on quality, durable materials and insisting on purposeful manufacturing.

By choosing Lafuma Mobilier, you are investing in durable, environmentally-responsible outdoor furniture. The proof: all of our furniture is now guaranteed for 5 years!

This is not all: you will find in the «Accessory Counter» all the components you need to extend the life of your products.

Lafuma Mobilier, a long life is programmed in!

In 2019, our new range **Be Comfort is the evidence for this commitment to lasting comfort.** Be Comfort, is:

- An ultra comfortable, technical seat pad with exceptional Anti UV performance,
- A modern and elegant style, with a honeycomb motif, a symbol of biodiversity,
- Yet, by following a production process which has a reduced environmental impact.

This innovation brings together comfort, aesthetics and durability for our brand which all generations of people have loved for over 60 years.

So, sit down, relax and enjoy... for a long time!

Without a doubt: Lafuma Mobilier, is the guarantee of lasting comfort.

Be Comfort
Environmentally-friendly
comfort innovation

Be Comfort is:

The choice of durability while remaining environmentally-friendly:

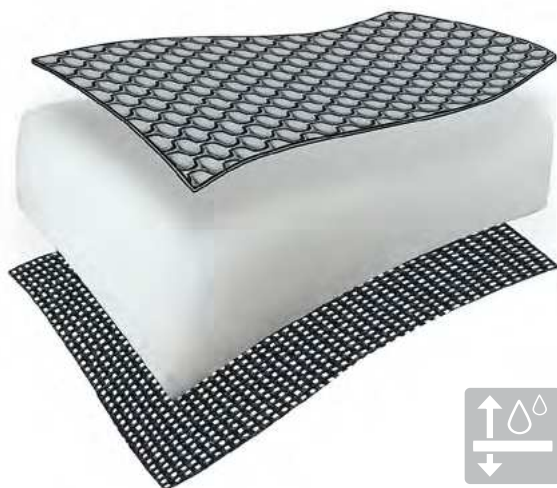

- Anti-UV performance guaranteed by the stability of Radyarn® thread,
- No post-treatment, so a reduced impact on the environment.

The guarantee of exceptional well-being:

- Lafuma Mobilier technology in the 3D Mesh and Batyline® seat pad ensures incomparable seating comfort,
- And the guarantee of a long moment of restorative rest.

The statement to a modern and committed style:

- A modern and clean-lined architectural motif,
- Inspired by the cell in a beehive, the symbol of biodiversity.

Lafuma Mobilier

Guaranteed durability

From the start, Lafuma Mobilier has manufactured durable products.

The quality of materials and the excellent knowledge and experience, constant over the past 60 years in the same factory in Anneyron make it THE specialist brand in outdoor furniture.

The 5 cornerstones of Lafuma Mobilier quality are:

- 3 generations of workers who make our products with passion,
- Technical European HLE (high limit elasticity) steel,
- Top of the range fabrics chosen with care and easy to maintain,
- Plastic parts designed and manufactured in our factory in the Ain department,
- French knowledge and experience built up over 60 years.

It is for these various reasons that our products are guaranteed for 5 years.

Lafuma Mobilier

Programmed-in durability

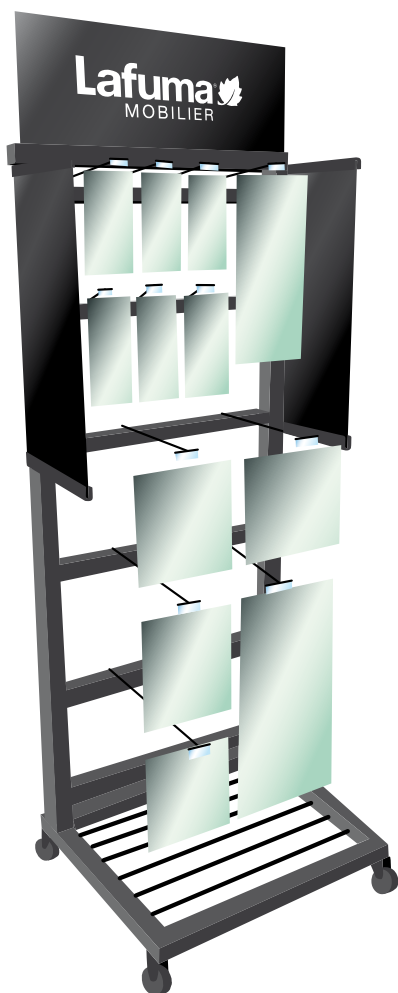

From the very start, Lafuma Mobilier has made eco-design integral to its development.

- Materials (tubing and fabric) forming part of the product's DNA,
- Recyclable and recycled materials,
- Reduction in material and energy consumption,
- Local suppliers (mostly within 150 km),
- Products that can be dismantled and recycled at the end of their lifespan,
- A collection of accessories ensuring an extended lifespan for the product.

Lafuma Mobilier, the best choice for reasonable, environmentally-responsible and durable consumption!

Make the "Accessory Counter" an instinctive choice!
